The ISI Web of Knowledge interface has a green header with the text "ISI Web of Knowledge<sup>SM</sup>". Below the header, there are tabs for "All Databases", "Select a Database", "Web of Science", and "Additional Resources". The "Web of Science" tab is selected. The main content area shows search results for the query "Author=( [redacted] ) AND Address=( [redacted] UNIV)". The results are sorted by "Latest Date" and show "Page 1 of 18" results. A red arrow points to the "Create Citation Report" button in the bottom right corner of the results area.
